Announcing the Azure SQL Championship Winners

We wanted to take a moment thank the PASS community for participating in the Azure SQL Championship virtual event in partnership with the Microsoft Azure SQL team. This has been an exciting competition and we've been amazed by the results — we captured the fun of learning together!

We received a lot of great submissions in response to the challenge scenarios. Special congratulations to these top three contenders. They were selected based on multiple choice, additional text responses, and file uploads evaluated by our expert community judging panel.

Grand Prize Winner: Alfredo Giotti

- PASS Summit conference passes for 2020 & 2021
- Travel for PASS Summit 2021

Silver Prize Winner: Mallikarjun Talikoti
